Bm G Asus4/A
Some days I don't know how I'll survive
Bm G Asus4/A
No one know this pain I feel inside
Bm F#m G D Asus4/A
Only hope can get me through the day
Bm G Asus4/A
Yeah well it's my life and I can't walk away
G D A
I gotta be strong so I can stand
G D A
I gotta hold on to all I can
G Gm
And tonight I will shine

CHORUS

Bm F#m G D A
I'll keep on shining, shine like the sun shines down
Bm F#m G D A
Keep on smiling, smiling from the inside and out
Bm F#m G D A
If you see my crying, I'm trying to just figure it out
G E A
I'll take it one day at a time and I'm gonna shine, shine, shine

Bm G Asus4/A
Some days it's just unpredictable
Bm G Asus4/A
And how I feel seems so invisible
Bm F#m G D Asus4/A
There are times I feel I've lost control
Bm G Asus4/A
Oh but there'll be better days ahead I know
G D A
And though it may be one hell of a ride
G D A
I need you to stay right by my side
G Gm
Give me time and I'll shine

CHORUS

G D A
I'll keep up a brave face until it gets me down
Bm
Oh this really messes me around
G D F#7
Oh, just give me a safe place cause when I hit the ground
G
Oh I really come crashing down

CHORUS

Oh I'm gonna shine
